

AFRISA

Makerere University College of Veterinary Medicine, Animal Resources and Biosecurity

Call for Applications 2020/2021 intake

AFRISA is a special institute of Makerere University and the Government of Uganda. It is a Centre of excellence for promoting hands-on skilling, production, enterprise development and employment creation through an alternative model of training and community transformation. You can start your production, and business career with a grass-root skills certificates and steadily upgrade to diploma and degree. AFRISA programs transform mindsets and produce market-oriented skilled farmers, farm industrialists, value-chain technicians and agri-business entrepreneurs. Day, evening and weekend course schedules are available. The Microfinance Support Centre of Uganda is our partner and offers affordable loans for AFRISA graduates to start-up businesses. AFRISA invites applications for admission to Diplomas, Ordinary Certificates, Artisan Certificates and Modular Skills courses in the following fields of occupation:
